

CHARITY BALL AND CARD PARTY TO AID MUSICAL SCHOLARSHIP FUND NEXT FEB. 12

In order to maintain the Musical Scholarship Fund of the North End Club, located at Hollywood and Winthrop avenue, the Edgewater Country Club, which is composed of some of the most prominent and influential society women of Chicago, have decided to give a grand dance and card party on Lincoln's birthday under the auspices of the Americanization Committee, assisted by a large committee including the officers and chairmen of all the departments of the North End Club.

Miss Marie Fanelli, the popular and gifted young soprano who has been

MISS MARIE FANELLI

attracting much attention this winter in musical circles, now holds the North End Musical Scholarship.

Titta Ruffo, the world's greatest baritone, on his recent visit to Chicago, predicted a brilliant career for Miss Fanelli after hearing her voice, he said: "She is a wonderful girl for her age. She is possessed of a most beautiful dramatic soprano voice of unusual range and quality, and that within three years from now, with the proper kind of study and training, she would become a second Gatti-Curci."

Miss Fanelli is the same pretty young lady who sang and cheerfully donated her services during the Liberty loan drives. She is a product of Chicago of Italian parentage.

Among the many prominent women taking part in the arrangements, and who are showing special interest in Miss Fanelli's musical education, are:

Mrs. Martin Kent Northam, president of the North End Club.

Mrs. Ira W. Foltz.

Mrs. Charles B. Stearns.
Mrs. William C. Collins.
Mrs. Wallace P. Grosvenor.
Mrs. Charles T. Widney.
Mrs. William Patch.
Mrs. Francis Vondicht.
Tickets are now on sale at 4936 Sheridan Road, 75 cents each.

"MORALS" GRAFT

Chicago has gone mad with reform. But as every reform means graft and every graft is attached to a public pay roll the people is getting sick and tired of the stuff.

Especially the taxpaying public. The Domestic Relations gang. The Morals Department. The Social Service boys.

And all the rest of them deserve a showing up that will retire them to private life and detach them from the tax eating propositions that many believe them to be.

ALDERMEN PUT HIGH PRICE LOOP THEATERS IN SAME CLASS WITH LOW PRICE MOVIES

The city council should explain its action in putting the movie theaters in the same class with the loop "speaking" theaters.

The movies charge from 5 cents to 50 cents.

The loop "Speakers" charge from \$2.50 to \$12.00, according to impulse.

The movies are a necessity and furnish pleasure and instruction for families.

The loop theaters are a luxury, and add to the high cost of living.

Pass fed aldermen do not look at the matter in this light.

Movies have no influence with the loop hounds.

So they have to suffer while the big price houses escape.

The new license fee schedule for theaters, including the movies, is graded both on seating capacity and admission charge, as follows:

Maximum seating capacity	Maximum admission price	Maximum price of admission	Maximum price of admission	Maximum price of admission

W. F. Cummings, the well known engineer and contractor, has made a fine record. His work is praised all over the country.

Sanitary Trustee William J. Healy is the father of the Orleans street bridge—the greatest improvement ever made by the city of Chicago on the Chicago river. Mr. Healy, while Alderman from the Eighteenth ward, fought week in and week out until he secured the passage of an ordinance and appropriation for this much needed structure. When completed it will be one of the greatest bascule bridges in the United States.

The Joseph Triner Company has done much for the health of the people. Its products are praised by all who have used them.

C. A. Bickett, the well known and highly respected president of the Bickett Coal and Coke Company, although still a young man, has led a very active life and has been a potent figure in the business world for many years. Whether as president of the Chicago Bearing Metal Company, the Bickett Coal and Coke Company, or as a director of the Port Dearborn National Bank, he has won the high regard of the business public.

Patrick A. Nash is making a great record on the Board of Review.

Ben J. Short, the popular lawyer, would make a great judge.

Francis J. Houlihan, the well known attorney, is frequently being mentioned by his big army of friends and admirers for a seat on the bench. Mr. Houlihan is one of Chicago's ablest and most successful lawyers and would make splendid judge.

County Recorder Joseph F. Haas is making a fine public record. The people are satisfied with his official acts.

Matt Aller would make a good City Treasurer. He is a sterling Democrat and has worked hard to put many good men into public office.

Albert J. Hopkins, who made one of the best United States senators Illinois ever had, would make a great governor.

Repeat the rotten Civil Service laws and give the soldier boys jobs.

Charles H. Lamson is one of Chicago's greatest paving experts.

Judge Frank Johnston, Jr., is making a fine record on the Circuit Court bench.

George L. Schein, the well known lawyer, who numbers his friends by the thousand, would make a fine judge. Mr. Schein has no ambition in this direction, it is said, but his ability, fairness and legal experience well fit him for judicial honors.

Edmund T. Perkins, the well known engineer, is a progressive Chicagoan with a national reputation in his profession.

George L. Schein, the able lawyer, would make a fine judge.

Frank J. Hogan, the well known lawyer, and former fire attorney, would make a splendid judge of the municipal court.

Alderman Walter P. Steffen is doing great work as head of the council police committee.

Edward W. Everett, the well known lawyer, is frequently talked of for congress by his many political friends. He is said to have no ambition in this direction, but his popularity would cause his election to almost any office he was nominated for.

The famous Terrace Garden is now one of Chicago's distinct features. A trip to the Morrison Hotel where the beautiful restaurant is located always means a return visit.
